DISCOVER ADVENTURE, DISCOVER LIFE

Welcome to Kepplewrap

Kepplewrap is a Christian charity with the aim of creating adventures and enriching experiences for everyone. We have a magnificent residential Centre set in its own grounds in Broughton - In - Furness in the Lake District National Park. This beautiful and inspiring region is at the entrance to the Duddon Valley, one of Cumbria's best kept secrets.

The Centre is a former mansion offering great full board accommodation. It is fully accessible with on and off-site outdoor activities led by our enthusiastic and qualified instructors. There is plenty of space for everyone to spread out with two lounges, two games rooms and 16 bedrooms of different sizes. Whatever the age level or ability, we encourage everyone to try everything, have fun and enhance their lives by pushing back personal boundaries. At the end of a busy day you can look forward to wonderful home cooked food and then either relax in warm comfortable surroundings, or enjoy some evening activities led by our instructors.

'The beauty of Kepplewrap's philosophy is the way it raises person's self esteem, it emphasis's what you can do, not what can't.'

- A Teacher from Surrey

Learning Outside the classroom

We believe that every young person, whatever their age should have the opportunity to learn beyond the classroom, whether they're striving for the summit on The Old Man of Coniston, discovering the history and the ingenuity of the people who worked the quarries or in the depths of the tunnels where copper was mined. These are just some of the experiences that link into the National Curriculum through History, Geography, science, PE and English, which widely enhance their stay at Kepplewrap. Not only will Young people benefit academically, they will expand their horizons, develop their communication and social skills and build self - confidence by working as part of a team.

To create this unforgettable and worthwhile experience let our team guide you in designing a programme that allows your young people to enjoy learning in the great outdoors.
